Impact *Report*

SEPT 2022 *to* AUG 2023

Thank you for all the support and generosity from our donors, collectively we change young lives for the better.

“

I didn't know at the time, just how much receiving a bursary place was going to affect my life, but Blundell's would prove to be the best opportunity ever given to me. My first year at Blundell's allowed me to capitalise on my talents and develop new ones. I engaged with activities

I never previously had time for. The change in culture I experienced through attending Blundell's towards academics was instrumental in allowing me to eventually achieve good grades at both GCSE and A-level and get into my university of choice. I could go on indefinitely about the opportunities

Blundell's gave me, the well-rounded holistic education I received is by far the most valuable gift I have ever received.

I feel truly blessed to be able to have gone to Blundell's.
